IMPORTANT INFORMATION FOR MURRYSVILLE PARK PAVILION RENTERS

In addition to the Parks and Playground Regulations sheet you have been given, the following information is important for pavilion rentals.

- Bring along your Park Rental Agreement to the park.
- Trash
 - please bring fifty-five (55) gallon trash bags
 - remove the current bags with the trash and take to dumpster which is available in each park for park needs
 - replace bag in trash can
 - the municipality does not have staff that can empty trash after each use
- If you have paid for electricity, pick up and return the key during regular administrative business hours; generally 8 am – 4:30 pm on weekdays.
- The electrical boxes are **not** located near the pavilions. Open the box with the key and turn on the switches. Then you can use the switches in the pavilion to regulate electricity. Turn them off and lock the box before you leave.
 - Townsend (Upper) – to the right of the Rotary Garden at the top of the entrance road
 - Townsend (Lower) – at the bend in the road on the right as it turns left towards the pavilion on the edge of the woods
 - Bear Hollow – corner of tennis court near pavilion by Field 1
 - Kovalczik – left hand side of parking lot by pavilion
 - Pedora – left of pavilion looking at it from the parking lot
 - Heritage – left of pavilion looking at it from the parking lot
 - Veterans – across the parking lot to the right of the bathrooms behind the wooden surround
- Fields or other park areas are NOT included in the rental of the pavilion and may be in use by the public or scheduled for specific use.
- Remove all signs and decorations (including nails and staples) put up for the party at the pavilion, in the park and on the roads.
- In the unlikely event that people are in the pavilion and will not leave during your rental time, or should you have any problems with park visitors bothering your guests, please contact the police at 911 for assistance.
